

The Trail of the Mystery Schools

God is revealed in the Wisdom Teachings of religions and cultures throughout history, Paul believed. By studying the many myths, legends, teachings and beliefs we can grow in our own experiential, personal relationship with Source.

In these Advanced Study Tapes recorded at a workshop of the Wrekin Trust in England, Paul reveals keys to some of the greatest teachings of the Mystery Tradition and explains their relevance to us in the world today.

CD1 Introduction to the Mysteries

Wisdom comes to us through many channels. In ancient times knowledge was passed to those initiated into what we call the Mystery Schools. Why do ancient traditions from Greece, Egypt, China and South America contain such similar stories?

CD 2 Initiation into the Mysteries

When we read the ancient accounts of the mystics and the shamans, we read of heroes facing fearsome and often supernatural foes. Paul describes the ultimate lessons faced by students of the Mysteries and how the Masters teach them.

CD 3 Ra, Ram, Rama & Ab-Ram

Travel with Rama, learn about Krishna's birth, and the initiations of Moses and Orpheus. How did the theories of the One God and of the many Gods come into being? Understand the origin of ancient deities and learn how to apply that expression in your life in this day.

CD 4 Egyptian & Greek Traditions

Discover Egyptian wisdom: science, mathematics, geography, astronomy, magic, art and symbolism. Understand how Hermes set up the Mystery Schools for kings and priests. Walk with Moses in the Temple of Man, where he absorbed the ancient Egyptian secrets, preparing him for meeting God on Mt. Sinai. Go with Orpheus beyond the clouds to shining Olympus, home of the gods.

CD 5 The Mysteries of Eleusis

Explore the Greek mysteries of Persephone & Demeter. Learn about the nightly return to the world of light during dreams. Work with your dreams to free Persephone from her imprisonment in Hades. Learn about the famous Oracles of Delphi and Dodona.

CD 6 The Mystery of Pythagoras

Learn of Pythagoras, his eclectic past, his theory of numbers, how they relate to God and Life; and the Pythagorean precept of Love and Friendship. Also learn about Taoism, the Chinese philosophy: the Tao (Way) and balancing yin and yang energies.

CD 7 Numerology in the Mysteries

Numerology is the basis for all of the Mystery School Teachings. In *Sacred Languages* letters and numbers are interchangeable. Study the hidden meaning of Numbers 1-13, the Tarot cards, and the four elements. Learn to use the inherent vibrations of numbers.

CD 8 The Major & Minor Mysteries

How does the genius or Miracle Man think? Understand the Wisdom Teachings about the two hemispheres of the brain. Unlock your Meta-Human potential!

CD 9 Mysteries of the Virgin

There are mysteries of virgin births in nearly every culture. What is the real meaning of the Virgin Birth? How does it apply to us today?

CD 10 The Mysteries of Britain

A wonderful meditation to rid us of our limitations and to acquaint us with our power animal. Learn to master the vital force, the one power that is God in you, as Merlin, the magician, once demonstrated.
